SDS Number:

### 2. HAZARDS IDENTIFICATION

Emergency telephone num-

#### **GHS Classification**

E-mail address

ber

Not a hazardous substance or mixture.

#### **GHS** label elements

Not a hazardous substance or mixture.

### Other hazards which do not result in classification

: -

: +65 6861 0632

None known.

### 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substance / Mixture : Mixture

Components

No hazardous ingredients

#### 4. FIRST AID MEASURES

| General advice          | : | No hazards which require special first aid measures.  |
|-------------------------|---|---|
| If inhaled              | : | Move to fresh air.  |
| In case of skin contact | : | Take off contaminated clothing and shoes immediately.<br>Wash off with soap and plenty of water.      |
| In case of eye contact  | : | Flush eyes with water as a precaution.<br>Remove contact lenses.<br>Keep eye wide open while rinsing. |
| If swallowed            | : | Clean mouth with water and drink afterwards plenty of water.  |

#### 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

| Personal protective equipmen | t   |
|------------------------------|---|
| Respiratory protection :     | Use respiratory protection unless adequate local exhaust<br>ventilation is provided or exposure assessment demonstrates<br>that exposures are within recommended exposure guidelines.<br>The filter class for the respirator must be suitable for the max-<br>imum expected contaminant concentration<br>(gas/vapour/aerosol/particulates) that may arise when han-<br>dling the product. If this concentration is exceeded, self-<br>contained breathing apparatus must be used. |
| Hand protection :            | Chemical-resistant, impervious gloves complying with an approved standard should be worn at all times when handling chemical products if a risk assessment indicates this is necessary.   |
| Eye protection :             | Safety eyewear complying with an approved standard should be used when a risk assessment indicates this is necessary.   |
| Skin and body protection :   | Choose body protection in relation to its type, to the concen-<br>tration and amount of dangerous substances, and to the spe-<br>cific work-place.  |
| Hygiene measures :           | When using do not eat or drink.<br>When using do not smoke.   |

### 9. PHYSICAL AND CHEMICAL PROPERTIES
