| Telefax                    | : | +65 6862 3915                           |

#### 2. HAZARDS IDENTIFICATION

## **GHS Classification**

Not a hazardous substance or mixture.

#### **GHS** label elements

Not a hazardous substance or mixture.

## Other hazards which do not result in classification

None known.

## **3. COMPOSITION/INFORMATION ON INGREDIENTS**

Substance / Mixture : Mixture Components

No hazardous ingredients

#### **4. FIRST AID MEASURES**

| General advice          | : | No hazards which require special first aid measures.   |
|-------------------------|---|--|
| If inhaled              | : | Move to fresh air.   |
| In case of skin contact | : | Take off contaminated clothing and shoes immediately.<br>Wash off with soap and plenty of water. |
| In case of eye contact  | : | Flush eyes with water as a precaution.   |

| Materi         | ials to avoid             | : No | o special restrictions on st | orage with other products.  |

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

## Components with workplace control parameters

Contains no substances with occupational exposure limit values.

#### Personal protective equipment

| Respiratory protection   | : | Use respiratory protection unless adequate local exhaust<br>ventilation is provided or exposure assessment demonstrates<br>that exposures are within recommended exposure guidelines.<br>The filter class for the respirator must be suitable for the max-<br>imum expected contaminant concentration<br>(gas/vapour/aerosol/particulates) that may arise when han-<br>dling the product. If this concentration is exceeded, self-<br>contained breathing apparatus must be used. |
|--------------------------|---|---|
| Hand protection          | : | Chemical-resistant, impervious gloves complying with an approved standard should be worn at all times when handling chemical products if a risk assessment indicates this is necessary.   |
| Eye protection           | : | Safety eyewear complying with an approved standard should be used when a risk assessment indicates this is necessary.   |
| Skin and body protection | : | Choose body protection in relation to its type, to the concen-<br>tration and amount of dangerous substances, and to the spe-<br>cific work-place.  |
| Hygiene measures         | : | When using do not eat or drink.<br>When using do not smoke.   |

#### 9. PHYSICAL AND CHEMICAL PROPERTIES
