#### **1. PRODUCT AND COMPANY IDENTIFICATION**

Product name : Davco 1000 Latex

Company	:	Sika (Singapore) Pte Ltd.
		28 Tuas South Ave 8 637648 Singapore
Telephone	:	+65 6861 0632
Emergency telephone number	:	+65 6861 0632
E-mail address	:	-
Telefax	:	+65 6862 3915

#### 2. HAZARDS IDENTIFICATION

#### **GHS Classification**

Not a hazardous substance or mixture.

#### **GHS** label elements

Not a hazardous substance or mixture.

### Other hazards which do not result in classification

None known.

#### **3. COMPOSITION/INFORMATION ON INGREDIENTS**

Substance / Mixture : Mixture Components

No hazardous ingredients

### 4. FIRST AID MEASURES

General advice	: No haz	ards which require special first aid measures.
If inhaled	: Move to	o fresh air.
In case of skin contact		ff contaminated clothing and shoes immediately. off with soap and plenty of water.
In case of eye contact	: Flush e	yes with water as a precaution.

# Davco 1000 Latex

Remove contact lenses. Keep eye wide open while rinsing.   If swallowed : Clean mouth with water and drink afterwards plenty of water. Do not give milk or alcoholic beverages. Never give anything by mouth to an unconscious person.   Most important symptoms and effects, both acute and delayed : No known significant effects or hazards. See Section 11 for more detailed information on health effects and symptoms.   Notes to physician : Treat symptomatically.   5. FIREFIGHTING MEASURES Suitable extinguishing media   Suitable extinguishing media : Use extinguishing measures that are appropriate to local cir- cumstances and the surrounding environment.   Hazardous combustion prod- ucts : No hazardous combustion products are known ucts   Specific extinguishing meth- ods : Standard procedure for chemical fires.   Special protective equipment for firefighters : In the event of fire, wear self-contained breathing apparatus. for firefighters   6. ACCIDENTAL RELEASE MEASURES : For personal protection see section 8. Wipe up with absorbent material (e.g. cloth, fleece). Keep in suitable, closed containers for disposal.   7. HANDLING AND STORAGE : No special anotic see section 8. No special anotic see section 8. No special anotic see section 8. No special handling advice required. Follow standard hygiene measures when handling chemical products   Conditions for safe storage : Keep container tightly closed in a dry and well-ventilated place. Materials to avoid		: No	o special restrictions on st	torage with other products.

### 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

#### Personal protective equipment

Respiratory protection	:	Use respiratory protection unless adequate local exhaust ventilation is provided or exposure assessment demonstrates that exposures are within recommended exposure guidelines. The filter class for the respirator must be suitable for the max- imum expected contaminant concentration (gas/vapour/aerosol/particulates) that may arise when han- dling the product. If this concentration is exceeded, self- contained breathing apparatus must be used.
Hand protection	:	Chemical-resistant, impervious gloves complying with an approved standard should be worn at all times when handling chemical products if a risk assessment indicates this is necessary.
Eye protection	:	Safety eyewear complying with an approved standard should be used when a risk assessment indicates this is necessary.
Skin and body protection	:	Choose body protection in relation to its type, to the concen- tration and amount of dangerous substances, and to the spe- cific work-place.
Hygiene measures	:	When using do not eat or drink. When using do not smoke.

#### 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance	:	liquid
Colour	:	white
